Subject: Justin Pepper Foundation Social Media Post

Hey Chaney,

The email below is from my cousin who serves on the board of the Justin Pepper Foundation which we had discussed potentially putting together a social media post for their toy drive this December. The press release attached is what their organization put together to advertise the event and will give you some more information about it. Thank you for helping with this.

Thanks,

Jay

Subject: Press Release

Dear Jay,
I have attached the press release. The board would like the governor to post something as soon as possible, and on Facebook. They also have asked if she could, in her post have link or tag our Facebook page.
Thank you,
John Coleman Ward
