Swati – Attached is the second (and hopefully final) transportation order for the flood event, which has been approved by Linda McDonald at DOT as well.

This order does two things: (1) Extends the Hours of Service waiver for an additional 30 days to expire on November 30, 2015; and (2) Sets a date certain for the Size/Weight waiver to January 30, 2016, which is 120 days from the initial order. We received input from industry (forestry, retailers, truckers, etc.) that these are their needs.

Please review. Thank you.
