SOS family

Many of you enjoyed the festivities of last week with our family. We want to thank you for making it a special time for our family and the state. i want to take this opportunity to thank Michael for all that he continues to do for our state. He has been home from deployment over a year now. What many don't realize is that after he works full time in his military job, he comes home and runs the business of managing the mansion grounds. Through the work of he and his staff they have rented out the Lace House for South Carolinians to use for weddings, reunions, luncheons etc to a tune of \$xxxx in private dollars over the last four years that go towards the maintenance of the grounds and saving taxpayers additional expense. He also continues to be very involved with Helping challenged youth through our Youth Challenge program and advocating for foster children in our state. Please help me welcome and thank the coolest first gentleman ever, Michael Haley

And what would Haley Family Fun Night be without two really fun kids. michael and I realized that they will have spent half of their childhood in public life when we leave. rena and Nalin continue to take it in stride and make us both proud. They are 16 and 13 years old now. Rena is starting to tour college campuses and Nalin continues to tour basketball courts. Please help me welcome two little ones that make me proud to be their mom, rena and nalin.
