**Subject:** Walmart and the Walmart Foundation Announce \$2 million towards Hurricane Matthew Relief

Dear Governor Haley,

Walmart and the Walmart Foundation have made a commitment to provide support through cash and product donations of \$2 million to organizations helping with relief efforts for those affected by Hurricane Matthew. As a part of this commitment, the Walmart Foundation is allocating \$500 thousand specifically toward CARE and Team Rubicon Global for relief efforts in Haiti. In the United States, Walmart and the Walmart Foundation have been working closely with the American Red Cross, Salvation Army, Team Rubicon and Feeding America, coordination efforts are being made with elected officials and governmental entities to meet the needs of those affected.

With widespread wind damage and flooding, Walmart and the Walmart Foundation have coordinated efforts as part of the \$2 million donation to send bottles of water, food and sheltering supplies to affected areas.
