Thanks for the quick responses. I had to do a certificate of service by mail, because as previously mentioned, Ms. Martel is apparently not a federal bar member. If you would like copies of the previous state court pleadings as filed in federal court with the removal documents, I'll send them separately.

The next step will be an expeditious motion for summary judgment. I'll be in touch about that very soon. We will also need to respond to the motion for preliminary injunction. I would think we would hear from the Court fairly soon about how that motion will be handled.
