Dear Governor Haley:

Congratulations on your winning another term as Governor. You are a very strong asset to your wonderful state. I am a life long Republican and am very happy with the results of the last election. Best wishes and best of health to you and your family. God bless all of you and it is so good to have strong Christians like you in leadership roles in our wonderful country.

Would you please be so kind to mail to me an autographed photo of yourself? Thank you very much.

Sincerely,  
Norman Pihl
