---

Hi I'm still having problems with the colleton county dss office this is really ridiculous again nobody is doing their job I was supposed to hear 3 weeks ago about anger management classes I have been calling and not getting any response as far as what I'm supposed to be do they can call me to get a lawyer and ask me why I keep making complaints but nothing is getting done as far as what needs to be done because of them how can I be held responsible for the slack of your fellow govt members ? This is not right Mrs kiesha Williams is my caseworker. I don't care that they get a copy of this something needs to be done thank you
