Can you look into why I never heard anything back about me completing the 47 parks. Info sent in from Charles Towne Landing. They said they would copy me on email sent to you, but I never saw anything, nor have I ever heard anything back.

Hi, Frank! Sure I can. Do you know what day you completed the program?

I don't have my book with me at the moment, but can check when I get home. I'm guessing it was late August to early September, but don't know exact date right off.

I don't recall receiving an email from Charles Towne Landing. When you get your book, if you could take a photo of the page or somehow scan it in and send it to us, we will take care of it immediately! CTL is currently closed due to damages from the storm. You can send the verification page to: [gdavenport@scprt.com](mailto:gdavenport@scprt.com) or if it's easier, text it to 803-250-9171....or send it here on Facebook. I am sorry that you have had this problem!

Thanks for your help. It will be later today before I can check that date, but will get back to you. I know they tore that page out to fax it, so I'll have to see if they gave it back to me or not.

Sounds good. Take your time! I will jump on it as soon as you get it to me!

May have just been impatient because now I see the date is 9/25 (Sunday), so you should've received on 9/26.
