Wonderful! We will see you then.

The Governor's Office is located on the first floor of the Statehouse. Metered parking is available surrounding the perimeter of the complex. Please enter using the public entrance on the Sumter Street side of the building. There will be a brief security check-point upon entering the building. From there the Governor's Office is located on the right-hand side of the lobby.

Can you tell me where you are from and a little about what you all about government you and your girls have been studying?

Please let me know if you have any further questions or concerns.

Yes! That definitely works for me! You'll have to direct me, however. 2nd floor of state house? Anything I should prepare the kids for? We will prepare a few questions, but anything else?

Hi! That would be awesome to make that all happen. We are a homeschooling family who has been studying government and my girls (and !!!) would love to meet Governor Haley!

My children are Carson winters, age 10; Logan winters, age 8, Ryan, age 4 (who may or may not come depending on the date we choose) and Reid, the baby at 19 months.

We can be flexible with availability, the only thing I have to be mindful of is my 4yr old's preschool drop off and pick up times. So we could come after 9, but need to leave by 11:30 to pick her up. Or if afternoons are better, then wed, thurs or Fridays would be best for us.

Thanks for being in touch. I am very excited about this!!
