I will have to have Josh lock the PDF, so the signature can't be copied and pasted.

Here is a draft; had to change the wording, since it said "Attached". See highlighted part...can you insert that information and send back to me?

Subject: One SC Legislative E-mail

Halti,

I have made the Governor's change. Can you turn it into an e-mail from her with her electronic signature for Veldran to send.

Thanks!

As many of you may have heard, we announced the One SC fund to assist flood victims, some of whom may be your constituents. Over the last few months, many state and federal agencies, as well as private, non-profit partners, assisted with fulfilling citizens' short-term needs; however, as our state moves into the long-term recovery phase, one of the greatest unmet needs will be getting people back to safe, habitable homes. In fact, FEMA estimates that as of January 1, 2016, 727 families will still be out of their homes.

I am asking all South Carolinians to get involved to help promote the One SC fund. Attached is background information about One SC, including ways to donate. All donations are tax-deductible. The goal of One SC is simple: It will help bridge the gap between existing resources and the unmet housing needs of flood victims.

Because of your leadership, you are uniquely positioned to lend your voice to help these flood victims. We hope you will pass along this information to your constituents. Please visit [www.onescfund.org](http://www.onescfund.org) for additional information.

God Bless.
