Dear Governor Haley,

Far too many otherwise honest, law abiding people are being caught up in situations, that laws already on the books were intended to circumvent. Jurisdictions with firearms laws, that are incompatible with Federally mandated right to transport gun laws, are targeting out of State drivers, who's license plates show that they have CCW/CHL permits, in their home States. This is Unconscionable !

Please support this NRA backed firearms protections law.

Sincerely,  
Rocky Bensch
