I know they got it because some of them have mentioned it to me, but I have no idea how many or who have registered. I can put it out again.

Have y'all received any feedback on this? We can't tell who's registered because we didn't sent it out, but I hope it's filling up. Would you mind blasting it again today? Thanks

Lt. Governor's Office on Aging

The Lieutenant Governor's Office on Aging partners with state and local governments, non-profit organizations, and the private sector to enhance the quality of life for seniors and vulnerable adults. We strive to be the first resource considered when anyone needs information, service options, and guidance concerning issues related to seniors and vulnerable adults.

Please join the Lieutenant Governor's Office on Aging on October 2, 2017 at 10:00am for an interactive webinar on strategies for engaging seniors in our communities. Mount Pleasant Police Chief Carl Ritchie will discuss initiatives in his department that keep seniors in touch and allow officers to detect problems early, Alex Cataldo from SLED will review alert programs in South Carolina, and Sam Wiley will provide some helpful information on the Alzheimer's Association and their programs. Webinar attendees will be encouraged to join the conversation through the chat capability. Please visit the link below on October 2, 2017 at 10:00am to participate as we share information to help law enforcement keep our seniors safe across South Carolina.
