Subject: FW: User Feedback

---

I found this suggestion on my desk and still had this copy in my emails. I had emailed Jimmy, Annie, Lotte, and Steven to see if they wanted to do this but did not receive a response back so I assumed we would not pursue at this time. Since you had asked for these type of emails and I found it I wanted to pass on to you.

Would you prefer that I email the feedback/suggestions to you in the future or continue to collect and give to you monthly?
