---

I'm briefing CHE on the ABF proposal starting around 8:45 tomorrow morning, so I won't be on-hand for the staff meeting, but I'll obviously be around for the agenda/tracking session in the afternoon. The only real update I'd have for the morning session is that Josh and I are rushing to get the last few provisos drafted, since we need to turn them in over the weekend for the formal budget submission next week.
