Gov. Haley,

I know you have bigger issues to deal with than the issue that I have. I am a life long resident of this state and I am a state employee (Dept. of Corrections, 24 years). I have been trying to resolve a problem since Dec. 2014 with the Dept. of Transportation. I reside at 120 Dorchester St. in Ridgeville, SC 29472 and my neighbor resides at 118 Dorchester St. My neighbor planted several shrubs on the highway right of way a few years ago and they now hinder my vision when I exit my property. She refused to remove the shrubs. I have had several near misses with vehicles, including school buses, people walking and jogging etc... and I know it will be a matter of time before something tragic will happen. I contacted DOT by phone (843-563-3451) in Dec. 2014 and was told something would be done.

I went A STEP FURTHER AND PUT A
WORK ORDER IN UTILIZING THE ON-LINE
SERVICE, W.O. # 827383 WAS PUT IN
ON 1-4-15. I CALLED THEM AGAIN IN
EARLY MARCH AND NOTHING IS BEING
DONE. COULD YOU PLEASE HELP ME WITH
THIS MATTER BEFORE AN ACCIDENT OCCURS.
THIS IS A PRIME EXAMPLE WHY WE ARE NOT
ALLOWED TO PLANT THINGS ON HIGHWAY PROPERTY.
THANK YOU FOR YOUR TIME.
