Barnwell | South Carolina Parks Official Site

A traditional state park primarily serving the people of Barnwell County, Barnwell State Park offers camping and cabins, picnicking and playgrounds, and a community center long favored for meetings, reunions and weddings.

Dorus Fotohorse DO NOT USE the reservation system which is Reservation America !

I am amazed to State Parks using this company. It is a front for another company ACTIVE Network, LLC. You can only make a reservation after many page process which enrolls and charges you a monthly fee. You also will pay a higher rate than listed on park page.

I had to file 'fraudulent charge' with my bank and get a new debit card.
