Due to this and other unanticipated issues as discussed with LGOA staff earlier in the day, the ACOG/AAA is requesting an additional business day, September 11 from 8-5, to be able to complete submission of data into AIM. Please contact me ASAP with an approval. Thank you.

Dear PSA and AAA/ADRC Directors:

The LGOA would like the aging network to be aware there may be delays or trouble accessing internet websites due to national occurrences. This may impact your aging resources. (AIM, SCACESS, SHIPTALK, or other aging websites)

The LGOA's understanding is this should be a temporary situation and should not extend beyond today.

Thank you for your cooperation and assistance. We hope that you find this information helpful.
